

The TSI Edition

Polo and Vento

Maximum power **Minimum consumption**

Be Like TSI

It was once impossible to experience the rush of adrenaline, without the rush for fuel. The machines ruling the road were just not able to give their drivers the kind of fun-filled yet optimal performance they yearned for when they took the wheel.

Then a legend arrived. Elegant and Ingenious. Part of a legacy of smartly engineered, globally acclaimed TSI technology from the house of Volkswagen. The perfect blend of carefree power and thoughtful efficiency. The engine every engine wants to be. The Volkswagen TSI.

Cause of peer pressure in engines

A refined marvel of unprecedented performance, the Volkswagen TSI oozes an untamed 110PS. And yet, at 18.24 kilometres per litre[^] on the Polo and 17.69 kilometres per litre[^] on the Vento, doesn't irresponsibly guzzle fuel. Leaving you plenty more to play with, while you set the road on fire. With 175 Nm of torque shooting thrill through your veins. And a new 6-speed manual transmission that truly hands you the reins. Let's just say your mini beast isn't pulling over anytime soon. Well worthy of the standing ovations it receives from other engines.

[^] As certified under 115 of CMVR, 1989 by certified agency and actual on road fuel efficiency may vary. Image used is for representation purpose only.

Look like a legend

Greet the street in a machine chiseled to perfection. With a look that reflects the legendary status of the engine under its hood.

01 Bold TSI Power Badge

Proudly affixed to the base of the door is a unique TSI Power badge. A reminder of the responsible power you wield behind the wheel.

02 Stunning Black Outer Rear View Mirror

Two stark-black ORVMs enhance the debonair appearance of the TSI edition. Adding to your ride an extra touch of class – the stuff legends are made of.

03 Sporty Body Side Graphics

Legends know how to have fun. The sporty body side graphics streaking across the sides let you give the road a playful wink while you burn rubber.

04 Stylish Honeycomb Grille

Charm your way through the concrete jungle with a GTI-inspired honeycomb grille designed to make a suave statement.

05 Glossy Black Roof and Spoiler

A gorgeous black roof and spoiler adorn the TSI edition, ensuring you stand out from the rest of the road. And soak in the admiration.
